The One-Sheet Variations

1. take 1 sheet of paper
2. fold in \( \frac{1}{2} \) longways
3. fold 2 more times
4. unfold

**Main Variation**

1. fold in \( \frac{1}{2} \) again & cut on folded end as shown
2. unfold & then refold in \( \frac{1}{2} \) the other way
3. pinch from middle
4. fold

**Other Ways to Cut**

- a “portrait” book
- a “portrait” book, too!
- a “landscape” book

*Try them all!*
